

Gite n°1190 - Le Clos Sainte-Colombe

Located in STE COLOMBE PRES VERNON, in L'Eure

You are there in a beautiful region, between the Eure and Seine valleys, in a lovely little village with its stone houses, at Nathalie's and Stéphane's who will give you a really warm welcome. This cottage is an old bread oven, looking nowadays resolutely modern while having integrated and preserved the traces of the past as the bread oven in which you can light a small outbreak. Its advantages : its space, its light thanks to the clear tones and the wide openings, its very warm and current decoration and an up to date equipment ! You have a small private and enclosed garden (80 m²) and access to the common part of the Clos Sainte Colombe garden (800 m²), especially for games. Just opposite, a detached BB awaits you if needed an extra bedroom. Entrance to the beautiful warm and bright living room all in height, with the kitchen and its central island, the lounge area in front of the bread oven (sofa bed 140x190) and the smart dining area. Spacious and modern shower room : 2 basins, large shower and separate toilet. Upstairs, the mezzanine opens onto the living room and the countryside (double bed 160x200). Plenty of things to discover in this beautiful region, between recreation (canoeing and horse riding), Giverny, its famous gardens and the Impressionism Museum, the Gaillon castle, and many beautiful walks.
