

# Bed Breakfast no.6473 - Au Vieux Cadran

Located in HARCOURT, in L'Eure

---

The Vieux Cadran is a property full of charm, in the heart of the very pretty village of Harcourt : the house, very old, has a lot of character with its half-timbered, in the middle of a beautiful landscaped garden with many recesses where everyone will find easily its place. The two bedrooms are really original : the Citadine, in a vintage industrial spirit with its painted brick wall, its workshop-like partition, its tiles, its bistro area, its furniture and its decoration (retro bathroom with lion feet bathtub) and Zen, offering the area of a loft suite, on 2 levels, whose creed is relaxation : superb sleeping area with large windows opening onto the garden, attic lounge with comfortable club chairs and unusual bathroom with its bright design bathtub. Aurélie and Vincent will warmly welcome you and talk about their passion, the creation of unusual objects based on other objects diverted. Furniture makeover workshops organized. The 2 bedrooms are independent, each located in an outbuilding : upstairs, for the Citadine, with bathroom and toilet, on 2 levels for Zen, with sleeping area on the ground floor and half floor the living room and bathroom with toilet. Each offers upscale bedding with beautiful linen and has a private terrace area. The breakfasts are served in a room of friendly life, near the decor shop and local creators Aurélie. Very nice landscaped garden (unprotected pond). Very pretty area with bucolic landscapes : valleys, villages, woods and countryside.
