

Gite n°1277 - La Tanière de Beauregard

Located in JOUY SUR EURE, in L'Eure

La tanière de Beauregard is a real holiday home designed to make your stay a real moment of well-being and relaxation. It bears its name very well : the den, because it feels like a cocoon and you quickly want to adopt it, and Beauregard for its truly privileged location in the very picturesque and protected Eure valley. You will love the charm and the softness of the place : pretty traditional half-timbered spacious house, still young but very nice garden with its imposing parasol tree and permaculture mini-vegetable garden, terrace nestled on the gable with a beautiful relaxation lounge and the spa, just for you, decoration very inspired by nature with its soft colors and beautiful materials such as wood or linen (Norman !) which dresses the windows and the beds and the attentive reception of Albane and Guillaume. Following the valley, you arrive at Pacy-sur-Eure (9 km) which is a charming little town perfect for shopping. Entrance on the ground floor to the beautiful living room, spacious, warm and bright : on the right, very functional and well equipped kitchen, cocoon lounge near the stove and dining area ; it opens onto the terrace on the side. Also on the ground floor, an elegant and very comfortable bedroom with its private bathroom (large walk-in shower). Separate toilet with washbasin. Upstairs, 2 very pleasant attic bedrooms with open views over the countryside and the woods : large 180x200 double bed in the first and 2 single beds in the second. Beautiful bathroom with wc. The landing is fitted out with an office area in front of the window facing the superb view, also with a corner for the little ones. Beautiful terrace on the side with relaxation lounge area and spa. The garden is fully enclosed and is about 400 m², enough to relax and have fun ; Finnish ping-pong and bowling. In the village, a small supermarket and an equestrian center.
